THE TONA-CLUB

※ TONAKAI'S FOREMOST WIFE. CHASED HIM FROM THE BEGINNING.

Did you see that? That faucet!

SQUEAK

WE HAVE TO USE THIS FAUCET BEFORE THE OTHER GIRLS DO!

I...!! WON...!!

I don't think it's possible by hand.

Haaa... But it's hard to adjust my strength...

PLEASE DO A KABE -BOKO~!

T/L: Like a Kabedon but it says 'Kabeboko'. Though, I don't really know what 'Boko' means?

If you cover the hole properly, he said he'll do it again~

How nice~ I want to be Kabe -boko'd too~

The secret of Tonakai's superhuman strength is safe with the Tonaclub.

MY WHOLE FAMILY WAS THERE!
(WAS THAT MY LIFE FLASHING BEFORE MY EYES...? WAS I DYING...?)
I had a hallucination of having a feast at my parents' home for about an hour...

THE PEOPLE WHO WERE THERE SAID IT ALL HAPPENED IN AN INSTANT. THE BRAIN IS AMAZING...
When I woke up,
Is what I asked first...
HAS EVERY -ONE GONE HOME!?

Anytime now, Life Review!!

And get up slowly and stand up-right for about 10 seconds.

Everyone, please watch out!
